Schps was granted during the probationary period as a first instalment of help and that something further might be expected

Dewan

28/3/12

I may perhaps add here that the impression created when we promised 50000 Rs, to the Institute was that 50 Rs, Schps would be given to all students. It can hardly be expected that sufficient no. of students would be found to enter the institute supporting themselves on their own resources. As the Institute subsequently changed its plan without our consent, we have, it seems to me, a clear right to reconsider

NOTE—Contra sheet

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 6922 / 498 two Cadr

Bangalore 29th February 1912

From

The *Inspector General of Education in Mysore*

To

C S Balasundaram Iyer, Esq , B A ,
Offg Secretary to the Government of H H the Maharaja
of Mysore, General and Revenue Departments, Bangalore

SIR

I have the honour to forward herewith copy of application dated 23rd February 1912 from Mr S Garalapuri Sastri praying for the grant of a scholarship to enable him to study in the Indian Institute of Science, Bangalore with a copy of the certificate from Mr F L Usher, Professor of Chemistry, Central College, Bangalore and to inform you that Mr S Garalapuri Sastri was granted a special scholarship of Rs 25/- a month for one year with effect from 3rd July 1911 to enable him to undergo special training in Chemistry, under Mr Usher, Professor of Chemistry, Central College, Bangalore with a view to ultimately joining the Indian Institute of Science, by Government Order No 1820-1/Edn 481-10-3 dated the 4th September 1911 He was also supplied with books required during the period of his special training at Government cost by the same Government Order

AW

2 From the application it will be seen that the student has been making satisfactory progress under Mr F L Usher and his application for admission into the Institute was accepted by the Director for the next session which commences

on

2

on the 3rd July 1912 He has chosen Organic Chemistry and has to work at the Institute under Dr J J Sudborough, Professor of Organic Chemistry for a period of at least 3 years The tenure of his special scholarship expires on 2nd July 1912

3 Under these circumstances I request that Government may be pleased to sanction a Damodardas scholarship of Rs 100 a month under rule VIII of the rules regulating the grant of Damodardas scholarship, to Mr S Garalapuri Sastri for a period of 2 years with effect from 3rd July 1912

I have the honour to be,

Sir,

Your most obedient servant,

Assistant to the Inspector General of Education

Encl to Govt 267- II dl (3)

Nos 1 & 2 Central College Hostel

Bangalore

Dated 23rd February 1912

To

The Inspector-General of Education

in Mysore, Bangalore

Sir,

Preliminary to my joining the Indian Institute of Science, I was asked by Dr Morris W Travers, to undergo one year's training under Mr F L Usher, Professor of Chemistry, Central College, Beginning from the 3rd of July 1911, I am working in the Central College Laboratory, under the direction of Mr F L Usher While having the necessary training here, I have also been attending twice a week, a course of lectures in German Language, at the Indian Institute of Science

Last week, the work which I have done in the Central College Laboratory was examined by Dr J J Sudborough, (Professor of Organic Chemistry) and by Mr H L Watson (Assistant Professor of Chemistry) at the Institute, as directed by Dr Travers They were both entirely satisfied with the work I have now done Even the work which has hitherto been done by me, I was assured, would be sufficient to entitle me to be admitted into the Institute However, I shall be doing some more work before leaving the College

My application for admission into the Institute was accepted by Dr Travers, on the 22nd of February 1912, and I was asked to join the Institute at the commencement of the next session, i e on the 3rd of July next I shall be joining the Institute on that date

I am deeply thankful to the Government for their presentation of books which I was in need of, and also for the scholarship of Twenty-Five Rupees a month which they granted

me

me last year The period of the scholarship was fixed for one year and it expires on the 3rd of July 1912 I shall join the Institute also on the 3rd of July

The mode of living at the student's quarters at the Institute is expensive Some of the students whom I have consulted on the point have given me to understand, that all expenses considered, they are spending a hundred rupees a month I shall have to be buying many books, from time to time as the necessity arises, required for my course of studies there It is very difficult to manage under a hundred rupees a month I humbly request the Government, to grant me a scholarship out of the Dorabdar Dass Funds, or if it is not available, out of any other funds that may be available for the purpose

Moreover as soon as I join the Institute, a sum of a hundred and fifty rupees is to be deposited at the Institute office

I pray the Government to grant me that amount of money as I am in very poor circumstances to pay such a sum

I have chosen Organic Chemistry, for my branch of study and I shall have to work at the Institute, under Dr J J Sudborough, for a period of at least three years

A copy of the certificate given to me by Mr F L Usher, for the satisfactory progress during my stay at the Central College Laboratory is attached

Hoping that my humble request will be granted,

I remain, Sir,

Your most obedient servant,

(Sd) S Gopalapury Sastry

CENTRAL COLLEGE

BANGALORE

S Garalapury Sastry has worked in the Chemical Laboratory of this College since July 1911, and has made entirely satisfactory progress He has been through a course of volumetric and gravimetric analysis and of organic preparations, and will have carried out a few of the more important physico-chemical measurements before leaving His work is neat and accurate, he has a good working knowledge of his subject and an independent habit of mind which will, I believe, make him a useful research student
